

First Grade

In first grade, your child will interact with classmates, the classroom teacher as well as art, music, and physical education teachers. The students will have some homework assignments which you will need to keep track of using their agenda book. This will help them to begin learning responsibility and good study habits. Remember, elementary school is the foundation to a child's education.

Key Goals:

Locate the main idea and details a story

Recall the sequence of events in oral and written stories

Print words legibly

Write letters legibly in manuscript form

Capitalize the first word in a sentence and use proper punctuation at the end of a sentence

Recognize the singular and plural forms of nouns

Count to 100 by one's, two's, five's, and ten's

Write the numerals to 100

Add and subtract numbers up to and from 10

Use simple maps

Make more detailed observations of the natural world
