

3rd

There are many new skills and activities introduced in third grade. At this level, students will now have nightly homework assignments and some more involved “projects” for science. The time you give to your child is the most valuable gift you will ever give to them.

Key Goals:

Recognize simple subjects and predicates

Write sentences

Work out the pronunciation and meaning of unfamiliar words

Use comprehension skills in reading

Identify the plot, setting, and main characters of a story

Use a dictionary

Write paragraphs with a topic/main idea sentence and supporting details

Add and subtract any numbers from 100 - 1,000

Multiply numbers to 12 x 12 and be able to determine each related division fact

Measure using standard and metric units

Appreciate local history and national figures

Conduct simple scientific investigations
